About Doxee

Doxee (DOX:IM – ISIN IT0005394413) is a multinational hi-tech company and a leading provider of products for Customer Communications Management (CCM), Digital Customer Experience and Dematerialization. Doxee offers innovative technology products based on Doxee's proprietary platform and delivered in cloud mode to over 200 Enterprise companies to ensure scalability, flexibility and reliability for mission-critical processes. Doxee products are a powerful tool for dynamic innovating communication strategies between the company and its customers, since they enable the creation of personalized and interactive relationships using digital machine learning and natural language processing technologies. For more than 10 years, the company has invested 13% of its revenues in Research & Development, with the goal of ensuring technological excellence and reliability. In addition to our constant commitment to R&D, Doxee promotes a working environment where our young people highly educated and technologically skilled are the key to boost innovation from within. Doxee is an innovative SME headquartered in Modena, and offices located in Milan, Rome and Catanzaro, Italy, in the Czech Republic, Slovak Republic and the United States. **www.doxee.com**
