

DOXEE WILL ATTEND THE MID & SMALL IN MILAN 2022

Modena, November 25th, 2022

Doxee (DOX:IM), leading high-tech multinational company offering products in the areas of Customer Communications Management, Digital Customer Experience and Paperless, announces that on November 30th, 2022, it will attend the Mid&Small in Milan 2022 organized by Virgilio IR in collaboration with Alantra and Banca Akros.

The event is dedicated to small and mid-cap companies listed on the Italian Stock Exchange, offering Italian and international institutional investors the opportunity to get in touch with Italian excellences characterized by strong growth potential.

Sergio Muratori Casali, CEO, Guido Spagnoli, CFO, and Enrico Celotto, CMO of Doxee, will illustrate the economic and financial results, the integration process of the acquired Infinica GmbH and the strategic development of the company.

The institutional presentation will be made available on the website www.doxee.com, in the “Investor Relations / Presentations” section.

The Company, pursuant to art. 17 of the Euronext Growth Milan Issuers Regulation, will update the calendar of corporate events 2022, with indication of the date on which the Conference will be held, available on the Company's website www.doxee.com in the Investor Relations> Events Calendar section.

This press release is available on www.doxee.com in the [Investor Relations](#) area and on www.1info.it

DOXEE

Doxee (DOX:IM – ISIN IT0005394413) is a multinational hi-tech company and a leading provider of products for Customer Communications Management (CCM), Digital Customer Experience and Dematerialization. Doxee offers innovative technology products based on Doxee's proprietary platform and delivered in cloud mode to over 200 Enterprise companies to ensure scalability, flexibility and reliability for mission-critical processes. Doxee products are a powerful tool for dynamic innovating communication strategies between the company and its customers, since they enable the creation of personalized and interactive relationships using digital machine learning and natural language processing technologies. For more than 10 years, the company has invested 13% of its revenues in Research & Development, with the goal of ensuring technological excellence and reliability. In addition to our constant commitment to R&D, Doxee promotes a working environment where our young people-highly educated and technologically skilled are the key to boost innovation from within. Doxee is an innovative SME headquartered in Modena, and offices located in Milan, Rome and Catanzaro, Italy, in the Czech Republic, Slovak Republic and the United States. www.doxee.com
