

## DOXEE WILL ATTEND THE ITALIAN DAY IN FRANKFURT

*Modena, January 20<sup>th</sup>, 2023*

**Doxee** (DOX:IM), leading high-tech multinational company offering products in the areas of Customer Communications Management, Digital Customer Experience and Paperless, announces that on January 24<sup>th</sup>, 2023, it will attend the 7<sup>th</sup> edition of the Italian Day in Frankfurt organized by Polytems Hir in collaboration with Alantra.

The event, dedicated to small and mid-cap companies listed on the Italian Stock Exchange, represents an important opportunity for interaction between SMEs and international institutional investors to present the results achieved and illustrate future strategies, through one-to-one and group meetings.

Sergio Muratori Casali, CEO of Doxee, will illustrate the economic and financial results, the integration process of the acquired Infinica GmbH and the strategic development of the company.

The institutional presentation will be made available on the website [www.doxee.com](http://www.doxee.com), in the "Investor Relations / Presentations" section and on the website [www.borsaitaliana.it](http://www.borsaitaliana.it), in the "Stock / Documents" section.

*This press release is available on [www.doxee.com](http://www.doxee.com) in the [Investor Relations](#) area and on [www.1info.it](http://www.1info.it)*

### **DOXEE**

Doxee (DOX:IM – ISIN IT0005394413) is a multinational hi-tech company and a leading provider of products for Customer Communications Management (CCM), Digital Customer Experience and Dematerialization. Doxee offers innovative technology products based on Doxee's proprietary platform and delivered in cloud mode to over 200 Enterprise companies to ensure scalability, flexibility and reliability for mission-critical processes. Doxee products are a powerful tool for dynamic innovating communication strategies between the company and its customers, since they enable the creation of personalized and interactive relationships using digital machine learning and natural language processing technologies. For more than 10 years, the company has invested 13% of its revenues in Research & Development, with the goal of ensuring technological excellence and reliability. In addition to our constant commitment to R&D, Doxee promotes a working environment where our young people-highly educated and technologically skilled are the key to boost innovation from within. Doxee is an innovative SME headquartered in Modena, and offices located in Milan, Rome and Catanzaro, Italy, in the Czech Republic, Slovak Republic and the United States.
