

## DOXEE WILL ATTEND THE ITALIAN DAY IN VIENNA

*Modena, June 5<sup>th</sup>, 2023*

**Doxee** (DOX:IM), leading high-tech multinational company offering products in the areas of Customer Communications Management, Digital Customer Experience and Paperless, announces that tomorrow June 5<sup>th</sup>, 2023, it will attend the 4<sup>th</sup> edition of the Italian Day in Vienna organized by Polytems Hir.

The event, dedicated to small and mid-cap companies listed on the Italian Stock Exchange, represents an important opportunity for interaction between SMEs and international institutional investors to present the results achieved and illustrate future strategies, through one-to-one and group meetings.

**Sergio Muratori Casali**, CEO of Doxee, will illustrate the economic and financial results for 2022, the integration process of the acquired Infinica GmbH and the strategic development of the company.

The institutional presentation will be made available on the website [www.doxee.com](http://www.doxee.com), in the "Investor Relations/Presentations" section and on the website [www.borsaitaliana.it](http://www.borsaitaliana.it), in the "Stock/Documents" section.

The Company, pursuant to art. 17 of the Euronext Growth Milan Issuers' Regulation, will update the 2023 corporate events calendar, indicating the date on which the Conference will be held, available on the Company's website [www.doxee.com](http://www.doxee.com) in the Investor Relations/Events Calendar section.

*This press release is available on [www.doxee.com](http://www.doxee.com) in the [Investor Relations](#) area and on [www.1info.it](http://www.1info.it)*

### **DOXEE**

Doxee (DOX:IM – ISIN IT0005394413) is a multinational hi-tech company and a leading provider of products for Customer Communications Management (CCM), Digital Customer Experience and Dematerialization. Doxee offers innovative technology products based on Doxee's proprietary platform and delivered in cloud mode to over 200 Enterprise companies to ensure scalability, flexibility and reliability for mission-critical processes. Doxee products are a powerful tool for dynamic innovating communication strategies between the company and its customers, since they enable the creation of personalized and interactive relationships using digital machine learning and natural language processing technologies. For more than 10 years, the company has invested 13% of its revenues in Research & Development, with the goal of ensuring technological excellence and reliability. In addition to our constant commitment to R&D, Doxee promotes a working environment where our young people-highly educated and technologically skilled are the key to boost innovation from within. Doxee is an innovative SME headquartered in Modena, and offices located in Milan, Rome and Catanzaro, Italy, in the Czech Republic, Slovak Republic and the United States.
